* Candidates selected for this program will be able to register on condition that they pass the skills test. The calendar for the skills test will be announced on <http://www.iste.edu.tr/oidb>

SEE

41: Since a number of classes and internships in this program will be carried out in private or official aviation institutions, candidates who are selected for this program will need to obtain a security clearance. Students who are unable to obtain a security clearance will not be allowed to register to this program.

49: Qualities needed to be able to perform AVIATION MANAGEMENT (undergraduate), CIVIL AIR TRANSPORTATION MANAGEMENT/ FLIGHT DISPATCHER (associate degree) professions: 1) Not to have any criminal records that could prevent obtaining an Airport Pass. 2) A health report obtained within the last 6 months that shows the candidate does not have any health conditions that can prevent them from carrying out duties relation to this profession (i.e. loss of hearing, vision, and so on).

297: To be able to register, the student should present a health report that states the candidate can become a Professional Diver. This report should be obtained from a fully-fledged hospital in which there is a Marine, Underwater and Hyperbaric Medicine Unit or Hyperbaric Oxygen Therapy Centres. Students' swimming, water aptitude, and diving skills will be tested in the hyperbaric chamber and diving tower located in our Vocational School. Students who register to the course are responsible for obtaining their own diving equipment (i.e. mask, pallet, snorkel, air cylinder, immersion suit, regulator, booties, and weight belt) within one month after education starts.
