Candidates will be selected from those who have graduated from or are in their last year of high school education provided that;

- They are foreigners (not Turkish citizens),
- They were Turkish citizens on birth but they have been allowed to resign from Turkish citizenship by the Ministry of Internal Affairs and their minors who are registered in the document stating the end of citizenship and can show that they possess “Documents relating to the use of rights as part of Turkish Citizenship Law” (the 7th item on the Turkish Citizenship Law numbered 2901 states that ‘(1) Children of Turkish citizen mothers or fathers born in Turkey or abroad as part of a marriage are Turkish citizens.’ and candidates applying for a place from abroad are advised to check the Turkish Citizenship Law)
- They have an foreign citizenship but later have been accepted to Turkish citizenship and, thus, have dual citizenship,
- They have been registered to a school abroad before 01/02/2013 (Turkish citizens who have completed the last three years of their high school education abroad in a country

other than Northern Cyprus Turkish Republic and including those who have completed their education abroad in a school opened by the Turkish Ministry of National Education),

- They have completed their whole high school education abroad (with the exception of Northern Cyprus Turkish Republic) after 01/02/2013 (including those who have completed their high school education in schools other than those located in Northern Cyprus Turkish Republic even if the school is a school opened by the Turkish Ministry of National Education),
- They have been a citizen of Northern Cyprus Turkish Republic (NCTR), been resident in NCTR, and have high school education scores (including GCE AL, The General Certificate of Education- Advanced Level) and they have been registered to a college or high school between 2005 and 2010 and have attended a CGE AL test and have their scores ready.

ONLINE APPLICATION

Documents to be uploaded to the online application system

- 1) Passport photo (.jpeg format),
- 2) Passport or ID photocopy (.pdf format),
- 3) High school equivalence certificate (if this is not available then high school diploma in .pdf format),
- 4) International Student Exam Result that has been carried out by one of the universities in Turkey (**applications that have been made with high school GPAs do not have to upload this document**),
- 5) A letter of intention in which candidates explain their goals and why they want to study at ISTE (can be prepared in English or Turkish).

Things to consider during online application

- It is important that the candidates closely follow their emails for the email account with which they have made their online applications. Our university might send emails during the application period.
- **Candidates should transform their scores into preference scores and enter it into the online system. Preference score will be divided to the whole score type that the candidate has and then will be multiplied by 100.**
- Candidates who do not have a passport should select the option “I do not have a passport” and should instead upload a copy of their ID in .pdf format to the online system.
- The preferences will be evaluated based on the country quota, thus, candidates’ country of origin should be stated in the application.
- Those who provide false information during online registration, who tamper documents, and those who do not meet the criteria set for application will not be able to register even if they become successful in the exam. If any student is found to have been registered in spite of the above, their registration will be terminated.
- **The order of selected programs in the online system will be considered as the candidate’s preference. Considering this will help prevent any misplacements.**

APPLICATION PROCEDURES

- Candidates who have valid scores of an exam that is recognized by Turkish universities for international student admissions or who have a valid high school diploma can apply to be placed in the associate and bachelor degree programs advertised. Furthermore, candidates should have completed the process of getting their high school diplomas recognized by Turkish authorities. (Candidates who do not have the recognition of their high school diplomas by Turkish authorities should do so and hand in the recognition document until the start of the Spring Semester of the 2020-2021 Academic Calendar. Registration of students who do not comply with this criteria will be terminated.)
- Candidates can only use one of the above scores in their applications.
- The International Student Selection Exam results carried out by Turkish universities are valid for one (1) year.
- Candidates can select up to five (5) programs.
- Preference score will be divided to the whole score type that the candidate has and then will be multiplied by 100.

The Scores that will be calculated for preferences= (The score of the candidate ÷ The whole score type of the candidate) × 100

PLACEMENT PROCEDURES

- International Student Selection Committee is responsible for the evaluation of applications and international student placements.
- Having met the application criteria does not guarantee acceptance to the related program.
- Candidates can only be placed to one program.
